## INDUSTRY EXPERTISE

When you partner with Strain & Associates, you gain a knowledgeable resource that understands your industry and the changing environment in which you compete. This knowledge is a necessary but sometimes overlooked asset in quickly and accurately measuring a candidate's qualifications against your requirements.

### Banking and Financial Services

Our list of satisfied financial services clients spans the breadth of the industry in Texas and beyond. We have concluded successful searches for commercial banks of all sizes, wealth management organizations, investments and brokerage firms, mortgage banks and insurance companies.

Following are a few completed engagements:

- CEO
- Chief Credit Officer
- Regional President
- Statewide Retail Executive
- Senior Lending Officers

### Technology Sector

For our technology clients, we bring an understanding of the special challenges faced by entrepreneurial companies where the pace of change is not just rapid, but dizzying to the uninitiated. We assist information technology companies in the disciplines of supplemental staffing, systems integration, and custom application development. We build management teams for expanding businesses.

Following are a few completed engagements:

- Chief Operating Officer
- Chief Financial Officer
- Regional Sales Manager
- Board Members
- Human Resources Manager
